

Manager's Essential Toolbox

Unlock your team's potential
Seamless and cost-efficient L&D services

Are you a manager, a leader, or a blend of both? This course invites attendees to explore their professional identity and how they may flex their style to meet the needs of their teams.

Who should attend?

This course provides managers with a structured opportunity for self-reflection, fostering personal growth and heightened self-awareness. Whether you are new to your managerial role or have more experience, this course offers practical tools and guidance to advance your journey in management and leadership.

What's in store for you?

- **Exploring Managerial and Leadership Roles**
Develop the ability to inspire, guide, and support a collaborative, motivated, and high-performing team by blending leadership vision with effective management practices.
- **Identifying Your Management Style**
Learn to adapt your approach to suit diverse team members, enabling individuals to reach their full potential while achieving organisational goals.
- **Introducing the GROW Coaching Framework**
Develop skills to apply the GROW coaching model, empowering employees to build their capabilities, take ownership, and foster accountability.
- **Navigating Conflict with Confidence**
Gain practical techniques to approach and resolve workplace conflicts constructively, turning challenges into opportunities for positive outcomes.

How should I reserve a place?
